

CREEDE SCHOOL DISTRICT MEAL PAYMENTS POLICY

The district is committed to ensuring that all students receive the nutrition they need to engage in active learning during the school day. In accordance with applicable federal guidance from the United States Department of Agriculture (USDA), this policy is intended to serve the purposes of meeting student needs, minimizing the identification of students with insufficient funds to pay for school meals and maintaining the fiscal integrity of the district's school food service account.

Student meal accounts and meal charges

Student meal accounts shall be established by the district.

Parents will be encouraged to pre-pay for students paying full or reduced price for meals. The district shall ensure that parents have access to at least one no-cost method of paying for meal services, such as the ability to pay in person.

Students will be permitted to pay for meals and/or add funds to student accounts on the day of service.

If a student has money to purchase a full or reduced price meal at the time of the meal service, the student must be provided a meal. The student's money may not be used to repay previously unpaid charges if the student intended to use the money to purchase that day's meal.

Students may charge up to 32 meals per school year before the student will no longer be permitted to charge meals. Students at the meal charge maximum will be provided a complimentary replacement meal.

Notification of low or negative balances

Notification of a low balance on a student account will be provided privately by the School Food Authority when student's account goes below zero. Notification will be made by one of the following methods: robo call, email, telephone call, text message, letter mailed to home or in person.

When notified of a low balance on a student account, parents will be reminded of this policy and the process for submitting applications for free or reduced price meal benefits. Parents will also be notified that any school meal debt accrued prior to the district's determination that the student is eligible for free or reduced lunch remains the parent's responsibility.

Notification of a negative balance on a student account will be provided by the School Food Authority. Notification will be made by one of the following methods: robo call, email, telephone call, text message, letter mailed to home or in person. The SFA expects the negative balance to be paid within 30 days. If not paid within 60 days, collection efforts will be pursued.

Collection of meal charge debt

In collection debt, the district shall ensure that collection efforts do not have a negative impact on the students involved and instead focus on the adult(s) in the household responsible for providing funds for student meal purchases. The district will work with parents to establish repayment plans with payment levels and due dates appropriate to the household's particular circumstances.

For students with delinquent meal charges, the following process will be used to collect debt. Bookkeeper will work with parents to collect debt which may include pursuing other forms of repayment.

Collection efforts from one school year may continue into the following school year, including when students transfer to a school outside of the district.

Annual notice

The district shall notify students and their parents about this policy at the beginning of each school year. Notification shall also be provided to those students who transfer into the district during the school year. Information about this policy may also be included in student handbooks, student enrollment or registration packets and/or back-to-school packets and posted on district and school websites.

This policy will also be communicated to school and district-level staff responsible for this policy's enforcement, such as school food service staff responsible for collecting payment for meals at the point of service, staff involved in notifying families of low or negative balances, and staff involved in enforcing any other aspects of this policy.
